COVER:
PLYMOUTH'S NEW

University of New ISCEVA SPEARE MEDICAL PARK
Library

A Tribute to Dr. Palmer . . .

Harold H. Palmer, 86, is one of the very few country doctors of yesteryear who faithfully served his patients going about the countryside in a sleigh or carriage to make his calls. He served as a physician for nearly 60 years, and in his last years of practice covered over 30 miles or more daily. Over the years he won a wide circle of friends.

In June, 1956, twenty communities joined together in a giant testimonial held in Plymouth to honor Dr. Palmer for his long and outstanding service. He has since been honored by various groups. He is a life member of the Grafton and New Hampshire Medical Societies, and fraternally he joined the Masons and Odd Fellows a long time ago.

Now enjoying retirement at home with his wife, to whom he has been married 52 years, he looks back on years of service with great satisfaction, and enjoys nothing better than "swapping" fish stories with friends. He has always been an ardent fisherman. He is seen almost daily on the street on errands for his home.

TOWN MEETING — MARCH 12, 1968

At a legal meeting of the inhabitants of the Town of Plymouth, N. H. held in the Guy E. Speare Auditorium on the above date, the meeting being opened by the Moderator, Attorney George T. Ray, Jr. at 10:00 o'clock in the forenoon, it was voted to dispense with the reading of the 1968 warrant until 8:00 o'clock in the afternoon. He then declared the polls open to ballot on Articles 1, 2 and 3 and to close not earlier than 6:00 o'clock in the afternoon. All remaining articles were to be considered beginning at 8:00 P. M.

At 8:00 o'clock the meeting was opened with a salute to the flag led by Robert Haskell. Moderator Ray then called attention to the new town flag which was on display in the auditorium. This flag was donated to the town by the Royal Eagle Drum and Drill Corps; Mr. Haskell being their leader. Following the flag salute, Rev. Bayard Hancock led the meeting in prayer. Moderator Ray announced some results of the balloting on Article 2 but explained that complete results were not available at this time. It was then requested that a moment of silence be observed in memory of Leon M. Huntress, a devoted servant of the Town of Plymouth. Again it was moved, seconded and carried that the reading of the lengthy warrant be dispensed with. Articles beginning with number four were then taken up.

Article 4.—Town Charges:

Voted to raise \$ 87,178.14

This sum to be apportioned as follows:

Officers' Salaries	\$ 4,700.00
Officers' Expenses	11,932.85

HELEN F. PERSON
Town Clerk

WARRANT FOR THE 1969 ANNUAL MEETING OF THE TOWN OF PLYMOUTH

To the inhabitants of the Town of Plymouth in the County of Grafton and State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said Plymouth on Tuesday, the Eleventh of March, 1969, polls to be open for voting on Articles 1 and 2 at 10:00 o'clock in the forenoon and to close not earlier than 6:00 o'clock in the afternoon, with action on the remaining articles to be taken commencing at 7:30 o'clock in the afternoon.

Article 1. To elect all Town officers which appear on the official Town ballot for the ensuing year.

Article 2. Shall the provisions of Chapter 287 of the Revised Statutes Annotated, relative to playing games of Beano be adopted in this Town?

Article 3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 4. To choose one Library Trustee for a term of three years.

Article 5. To choose two Park Commissioners for a term of three years each.

Article 6. To choose one Trustee of Trust Funds for a term of three years.

Article 7. To see what sum of money the Town will vote to raise and appropriate to defray the costs of operating the Police Department during the current year.

Article 8. To see what sum of money the Town will vote to raise and appropriate for the support of the Free Public Library.

Article 9. To choose one member of the Zoning Board of Adjustment for a term of five years.

Article 10. To see if the Town will vote to authorize the Selectmen to convey by Quitclaim Deed to Riverside Lands, Inc. any and all interest of the Town in and to the real estate hereinafter described, the said interest having been derived by the Town by the State Department of Public Works and Highways reclassification of old Route 3-A and 25 on November 29, 1955 in accordance with Section 17, Part 10, Chapter 90 of the Laws of 1942:

All the right, title and interest of the Town in and to the old paved Route 25 on the northerly side of new Route 25 and 3-A which lies

within a line extending in a northerly direction from the southeasterly corner of land of Kenneth Robie on the northerly limit of said new highway a distance of 50' more or less; thence turning and running in a general southeasterly direction a distance of 135', more or less, to a point on the northerly limit of said new highway; thence turning and running in a general westerly direction along the northerly limit of said new highway a distance of 125' to the point of beginning.

Article 11. To see what sum of money the Town will vote to raise for the maintenance and construction of highways.

Article 12. To see if the Town will vote to authorize the Selectmen to sell the old Nelson Snowloader and present Dodge Police Cruiser.

Article 13. To see what sum of money the Town will vote to raise and appropriate for sidewalks.

Article 14. To see what sum of money the Town will vote to raise and appropriate for Town highway maintenance in cooperation with the State.

Article 15. To see what sum of money the Town will vote to raise and appropriate to defray the costs of operating the Fire Department during the current year.

Article 16. To see what sum of money the Town will vote to raise and appropriate for the Sceva Speare Memorial Hospital.

Article 17. To see if the Town will vote to authorize the Selectmen to extend to the authorized agents of Sceva Speare Memorial Hospital the sole and exclusive right of first refusal on the real estate owned by the Town at the corner of Avery and Cummings streets, presently known as the Town Shed Property and to authorize them to execute any and all instruments incidental thereto.

Article 18. To see what action the Town will take to provide ambulance service for the Town of Plymouth.

Article 19. To see what sum of money the Town will vote to raise and appropriate for the care of shade trees.

Article 20. To see what sum of money the Town will vote to raise and appropriate for Civil Defense.

Article 21. To see if the Town will vote to grant to the New England Telephone and Telegraph Company a right-of-way to maintain its underground lines across the property of the Town known as Plymouth Airport an approximate distance of 2,498 feet, said right-of-way subject to the vote of the Town at its Annual Meeting.

Article 22. To see what sum of money the Town will vote to raise and appropriate for maintenance and improvement of the Plymouth Airport.

Article 23. To see what sum of money the Town will vote to raise and appropriate for the Park and Recreation Commission to develop and maintain recreation areas and facilities and conduct a year-round community public recreation program.

Article 24. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and pay the obligations of the Town.

Article 25. To see what sum of money the Town will vote to raise and appropriate for band concerts during the summer of 1969 by the Plymouth Community Band.

Article 26. To see what sum of money the Town will vote to raise and appropriate for Memorial Day.

Article 27. To see what sum of money the Town will vote to raise and appropriate for cemeteries.

Article 28. To see what sum of money the Town will vote to raise and appropriate for the purpose of publicizing and promoting the natural advantages and resources of the Town through the Information Booth, so-called, situate on Main Street.

Article 29. To see if the Town will vote to authorize the Selectmen to administer, lease, rent, sell and convey or otherwise dispose of any real estate acquired by the Town by any Tax Collector's deed.

Article 30. To choose one member of the Budget Committee for a term of four years.

Article 31. To see if the Town will vote to raise and appropriate the sum of \$300.00 to be used by the White Mountains 93 Association for publicity and other promotional activities, calling attention to the resources and natural advantages of the membership area of said Association which extends from Plymouth to Littleton.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$100.00 which is one-one hundredth of 1% of the equalized evaluation of the Town, to be used by the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with other towns in the Lakes Region.

Article 33. To see if the Town will vote to raise and appropriate the sum of \$1,335.00 to be used by the Pemi-Baker Home Health Agency as Plymouth's share in helping to defray the expenses in operating a Visiting Nurse and therapeutic service in the area.

Article 34. To see if the Town will vote to raise and appropriate the sum of \$2,315.00 for the Lakes Region Mental Health Center of Laconia, New Hampshire.

Article 35. To see if the Town will vote to appropriate the sum of \$5,000.00 as the Town's share of the cost of a comprehensive master plan of the Town and to raise \$2,500.00 of said sum from current taxes and the other \$2,500.00 from taxes to be assessed in 1970.

Article 36. To see if the Town will vote to become a member of a regional planning agency to embrace the Towns in the Baker River and Pemigewasset River Valleys. This agency will have membership of at least two (2) of the Towns in these two Valleys. The objective of this agency will be to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. The agency will have no jurisdiction over local affairs and will be primarily advisory. Two members of the regional planning agency shall be from Plymouth to be appointed by the Selectmen.

Article 37. To transact any other business that may legally come before said meeting.

Given under our hands this 24th day of February, 1969.

CARL J. BRITTON

NORMAN L. SAMAHA

MADISON W. SEARS

Selectmen of the Town of Plymouth

PLYMOUTH PUBLIC LIBRARY
ANNUAL REPORT — 1968

To the Trustees of the Plymouth Public Library:

The highlight of 1968 was an Open House on October 2nd in honor of Mrs. Eva Speare, held in the library with the assistance of the Friends of the Library and the Young Ladies Library Association. About eighty-five guests attended and contributed to a fund in honor of Mrs. Speare to purchase books of local interest for the library. A few books have already been received and we are in the process of searching for out-of-print volumes about this part of the country.

A summer reading program for children, with the theme of "Roger's Rangers", culminated in a party where Smokey the Bear provided the entertainment.

The large effort of taking an inventory of the library holdings was undertaken in January and completed with the assistance of fifteen members of the Friends of the Library, who contributed fifty-five hours of concentrated labor. The Friends also purchased for us a very efficient electric fan which makes life easier for the staff.

Eight story hours for kindergarten and second grade children were conducted by Mrs. Charlotte Noyes. Two kindergarten classes and a fourth grade class visited the Library with their teachers. The Headstart classes made four visits.

Fifty books with very large print for people with poor eyesight were bought by the State Library with funds under a federal grant under Title 4B of L. S. C. A., and presented to us. Two gifts in memory of Leon Huntress were received. One was a book on American Literature from Dr. Donald Whitesell, and the other was a set of the Landmark Encyclopedia of the Nations, from Plymouth High School.

Respectfully submitted,
ALICE B. DICKINSON, Librarian

CIVIL DEFENSE UNIT REPORT FOR 1968

I received a budget of \$700.00 for uniforms and associated equipment and ended the year with a zero balance and have 13 men fully equipped for duty.

The Unit received approximately 110 hours per man for training, special assignments and general work and this is a continuing program—the Unit is on call 24 hours per day for emergencies. The Unit Manning Table suggests 30 men in uniform, completely trained by 1971 and with the 8 new men that were put on the team in 1968, I have a balance of 9 men to recruit, train and equip. I'm running 2 years ahead of schedule with all phases of my State and Federal requirements

All basic training courses were completed in 1968 and 1969 training outline will consist of: 16 hrs. of Radiological Monitoring Course, 20 hrs. first aid; basic, intermediate and instructors course, 12 hrs. personal family shelter survival course and 50 hrs. marksmanship course; basic, and advanced. And a never ending array of police instruction. Each man will receive approximately 98 hrs. of schooling in 1969 and with special projects already scheduled plus any emergencies that may arise, each man will spend about 150 hrs. with the Unit this year—all voluntary work I might add. Your money is being well spent.

We run 4 annual events each year to raise extra money for the Unit. A deer pool, bingo night, teen dance and snowmobile race. This year we will use one of these special projects for the "Skip" Guinan Scholarship Fund and will have this project as an annual affair also. We hope, as is our goal, to be able to help everyone in Plymouth one way or another and we will not rest until we have proven our worth.

The new faces in our Unit are:

Robert W. Ford, Sr.
Leonard Hammel, Jr.
Thomas Fowler
Barry Wescott

Richard Manning
Samuel Sargent
Gabriel Recos
Gary Mack

My deepest appreciation to all these hard working, unselfish men and this wonderful town for all their support in 1968 in making my job so much easier. I shall continue doing the duties of Civil Defense Director in the same manner and always welcome suggestions and/or complaints if necessary.

Respectfully submitted,

Allen K. MacNeil, Director
Plymouth Civil Defense Unit

REPORT OF PARK AND RECREATION DIRECTOR

Major accomplishments of the Park and Recreation Department during the past year include: employment of an experienced, professional director; development of written job descriptions and policy statements to govern operations; implementation of more economical, "business-like" administrative practices; marked expansion of program activities for both sexes and practically all age levels; acquisition of new office space, a limited facility recreation center, and some relatively expensive program equipment on a very economical basis; and development of increased public interest and support for the program.

In the last six months alone, we have offered more program and experienced greater growth than at any other time in recent years. Thirty-one different activities were made available. Five hundred and seventy registrations were received. Two hundred and three different sessions were held. Ten different people were employed on a part-time basis. Sixty-two different people provided volunteer services. And, perhaps most important of all, the cumulative attendance for program activities was 6119.

Right now, the prospects for future development of the Park and Recreation Program are brighter than they have been in quite some time. We have a group of interested, concerned, hard-working Commissioners. Some very capable, responsible adult leaders are working with us on a part-time basis. Many people with a variety of talents and much to offer have demonstrated and expressed their willingness to help on a voluntary basis. And, a number of other departments, agencies, and organizations are providing the kind of support and cooperation that is necessary if our efforts are to be successful. We are quite fortunate and should be very grateful.

During the next year our objectives will be twofold. On the one hand, we'll work for continued expansion and upgrading of activities and services. On the other, we'll attempt to discover and identify public interests and desires to serve as the basis for future program planning. We hope everyone will lend us their support, and we invite all to make their thoughts, feelings, and desires known.

WILLIAM H. BROADRICK, JR.

Park and Recreation Director

INFORMATION BOOTH REPORT

February 17, 1969

Board of Selectmen
Town of Plymouth
Plymouth, N. H.

Gentlemen,

The Information Booth was opened June 29, 1968 and closed September 1, 1968.

Miss Hazel Downing performed her usual efficient service as attendant every week day from 9:00 A. M. to 12:00 M., 1:00 P. M. to 5:00 P. M. and 1:00 P. M. to 5:00 P. M. Sundays

She handled inquiries from 5,745 cars carrying 17,297 people. This is an increase of 210 cars over 1967 and a decrease of 5,851 people. It is quite evident that 1968 had smaller parties on the road.

Tourists were recorded from all states except Arkansas, Hawaii, Nevada, North Dakota, Utah and Wyoming. All provinces of Canada were represented except Manitoba and Newfoundland.

Travelers from England, Holland, France, Israel, South America, Sweden and Germany stopped at the booth.

The Chamber of Commerce extends its gratitude to the voters of Plymouth for their aid in supporting the booth which has proven to be a much appreciated service to tourists stopping in and traveling through Plymouth. The entire appropriation was used to help pay the salary of Miss Downing.

Respectfully submitted,

Plymouth Chamber of Commerce

Clarence H. Jones, Secretary

REPORT ON THE PEMI-BAKER HOME HEALTH AGENCY, INC.

During the year of 1968 our staff made a total of 1,186 professional visits to residents of the town of Plymouth. The demand for our services throughout the ten-town area increased so sharply during the year that we have added two part-time Registered Nurses to our staff.

We felt that by seeking out nurses who are willing to work only two or three days a week—an arrangement which fills our needs very adequately—we would be able to carry out our functions without cutting into the roster of full-time help needed by institutions in this area.

As people have become aware of the availability of therapeutic treatments in their own homes, there has been an increased number of requests for the services of our therapists. Since July first, it has been possible for patients to start treatments while still in the hospital and continue along with the same therapy when they go home. Such an arrangement has great value for those persons who need to start therapy in the early stages of their disability.

Altogether, our first full year of operating as a Home-Health Agency has proved that there is a need for the kind of services which we are offering; and we are very gratified to be the channel for filling that need.

MADELEINE VANHAGEN, Representative
for the Town of Plymouth to the
Board of Directors

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Treasurer of the Library Trustees, Treasurer of the Park and Recreation Commission, Justice of the District Court and Tax Collector.

The records of the individual receipts were found to be correctly cast and properly vouched. We have verified cash balances and reconciled bank statements for such officials as have town business accounts.

We have examined the securities in the Trust Funds. We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Town Trust Funds, Road Agent, Chief of Police, Town Secretary and Clerk of the District Court.

SAMUEL H. DREGHORN

EDITH R. SMITH

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

New Hampshire is the fastest growing state in the northeast in terms of population increase. It is also an industrialized state and this growth is likely to continue, all of which means more families and homes. Our growing summer population is scattered throughout the state with a phenomenal increase in vacation homes.

Many new homes and practically all cottages are being located in woodlands and abandoned fields and forests crowd into the back yard of our village streets. In a state where the forests cover 86% of the land surface, it is necessary that everyone be aware all through the season, which comes with the disappearance of the snow until the snow comes again, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow, Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A. M. and 5:00 P. M.
 - c. Have equipment on hand to control the fire before you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save our tax dollars for useful purposes.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of Plymouth Village Fire District Qualified to Vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the 6th day of March, next, at 7:30 o'clock in the afternoon to act on the following subjects:

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose a Clerk for the ensuing year.

ARTICLE 3. To choose a Treasurer for the ensuing year.

ARTICLE 4. To choose one District Commissioner for the ensuing three years.

ARTICLE 5. To choose Auditors for the ensuing three years.

ARTICLE 6. To see what sum of money the District will vote to raise for fire protection for the ensuing year. (Hydrant rental.)

ARTICLE 7. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefore, countersigned by the District Treasurer.

ARTICLE 8. To see what sum the District will vote to appropriate for purposes of constructing water and sewer facilities consisting of sheds and buildings on the site of the sewage treatment plant pursuant to the provisions of the Municipal Finance Act as amended, said sum to be raised from the unexpended portion of the currently outstanding bond issue.

ARTICLE 9. To see if the District will vote to authorize the Commissioners to negotiate and execute a contract to supply sewerage service to Holderness School for Boys, outside district boundaries, to wit, in Holderness, whereby the District will allow said Holderness School for Boys to discharge sewage into the District's interceptor located on Bridge Street, at such rates and terms as the Commissioners may determine.

ARTICLE 10. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 19th day of February, in the year of our Lord nineteen hundred and sixty-nine.

1968 Work Report

New Connections to Sewers:	6
Sewer Manholes Rebuilt:	1
New Sewer Manholes Installed:	3
Sewers Repaired or Cleaned:	22

895 ft. of pipes of all sizes were laid in 1968.

The Sewer Treatment Plant Project is about 85% complete at this time and should be in operation about May 1, 1969.

REGULATIONS — SEWER DEPARTMENT

These regulations shall be in full force and effect from and after their approval by the Plymouth Village Fire District Commissioners of the Town of Plymouth, State of New Hampshire on the 1st day of January, 1969.

WARREN A. BLAKE

GROVER C. DOLLOFF

JOHN NOSEWORTHY

Commissioners, Plymouth Village
Fire District

REGULATIONS OF SEWER USE

ARTICLE I

DEFINITIONS

Unless the context specifically indicates otherwise the meaning of terms used in these regulations shall be as follows:

Sec. 1. "BOD" (denoting Biochemical Oxygen Demand) shall mean the quantity of oxygen utilized in the biochemical oxidation of organic matter under standard laboratory procedure in five (5) days at 20°C, expressed in milligrams per liter.

Sec. 2. "Building Drain" shall mean that part of the lowest horizontal piping of a drainage system which receives the discharge from soil, waste, and other drainage pipes inside the walls of the building and conveys it to the building sewer, beginning five (5) feet (1.5 meters) outside the inner face of the building wall.

Sec. 3. "Building Sewer" shall mean the extension from the building drain to the public sewer or other place of disposal.

Sec. 4. "Combined Sewer" shall mean a sewer receiving both surface runoff and sewage.

Sec. 5. "Garbage" shall mean solid wastes from the domestic and commercial preparation, cooking, and dispensing of food, and from the handling, storage, and sale of produce.

Sec. 6. "Industrial Wastes" shall mean the liquid wastes from industrial manufacturing processes, trade, or business as distinct from sanitary sewage.

Sec. 7. "Natural Outlet" shall mean any outlet into a watercourse, pond, ditch, lake, or other body of surface or groundwater.

Sec. 8. "Person" shall mean any individual, firm, company, association, society, corporation, or group.

Sec. 9. "pH" shall mean the logarithm of the reciprocal of the weight of hydrogen ions in grams per liter of solution.

Sec. 10. "Properly Shredded Garbage" shall mean the wastes from the preparation, cooking, and dispensing of food that have been shredded to such a degree that all particles will be carried freely under the flow conditions normally prevailing in public sewers, with no particle greater than one-half ($\frac{1}{2}$) inch (1.27 centimeters) in any dimension.

Sec. 11. "Public Sewer" shall mean a sewer in which all owners of abutting properties have equal rights, and is controlled by public authority.

Sec. 12. "Sanitary Sewer" shall mean a sewer which carries sewage and to which storm, surface, and groundwaters are not intentionally admitted.

Sec. 13. "Sewage" shall mean a combination of the water-carried wastes from residences, business building, institutions, and industrial establishments, together with such ground, surface, and stormwaters as may be present.

Sec. 14. "Sewage Treatment Plant" shall mean any arrangement of devices and structures used for treating sewage.

Sec. 15. "Sewage Works" shall mean all facilities for collecting, pumping, treating, and disposing of sewage.

Sec. 16. "Sewer" shall mean a pipe or conduit for carrying sewage.

Sec. 17. "Shall" is mandatory; "May" is permissive.

Sec. 18. "Slug" shall mean any discharge of water, sewage, or industrial waste which in concentration of any given constituent or in quantity of flow exceeds for any period of duration longer than fifteen (15) minutes, more than five (5) times the average twenty-four (24) hour concentration or flows during normal operation.

Sec. 19. "Storm Drain" (sometimes termed "Storm Sewer") shall mean a sewer which carries storm and surface waters and drainage, but excludes sewage and industrial wastes, other than unpolluted cooling water.

Sec. 20. "Superintendent" shall mean the (Superintendent of Sewage Works and/or of Water Pollution Control) of the Plymouth Village Fire District or his authorized deputy, agent, or Plymouth Village Fire District.

Sec. 21. "Suspended Solids" shall mean solids that either float on the surface of, or are in suspension in water, sewage, or other liquids, and which are removable by laboratory filtering.

Sec. 22. "Watercourse" shall mean a channel in which a flow of water occurs, either continuously or intermittently.

ARTICLE II

BUILDING SEWERS AND CONNECTIONS

Sec. 1. No unauthorized person shall uncover, make any connections with or opening into, use, alter, or disturb any public sewer or appurtenances thereof without first obtaining a written permit from the (Superintendent.)

Sec. 2. There shall be two (2) classes of building sewer permits: (a) for residential and commercial service, and (b) for service to establishments producing industrial wastes. In either case, the owner or his agent shall make application on a special form furnished by the District. The permit application shall be supplemented by any plans, specifications, or other information considered pertinent in the judgment of the Superintendent. A permit and inspection fee of \$25.00 dollars for a residential or commercial building sewer permit and \$25.00 dollars for an industrial building sewer permit shall be paid to the District at the time the application is filed.

Sec. 3. All costs and expense incident to the installation and connection of the building sewer shall be borne by the owner. The owner shall indemnify the District from any loss or damage that may directly or indirectly be occasioned by the installation of the building sewer.

Sec. 4. A separate and independent building sewer shall be provided for every building; except where one building stands at the rear of another on an interior lot and no private sewer is available or can be constructed to the rear building through an adjoining alley, court, yard, or driveway, the building sewer from the front building may be extended to the rear building and the whole considered as one building sewer.

Sec. 5. Old building sewers may be used in connection with new buildings only when they are found, on examination and test by the Superintendent, to meet all requirements of these regulations.

Sec. 6. The size, slope, alignment, materials of construction of a building sewer, and the methods to be used in excavating, placing of the pipe, jointing, testing, and backfilling the trench, shall all conform to the requirements of the building and plumbing code or other applicable rules and regulations of the District. In the absence of code provisions or in amplification thereof the materials and procedures set forth in appropriate specifications of the A.S.T.M. and W.P.C.F. Manual of Practice No. 9 shall apply.

Sec. 7. Whenever possible, the building sewer shall be brought to the building at an elevation below the basement floor. In all buildings in which any building drain is too low to permit gravity flow to the public sewer, sanitary sewage carried by such building drain shall be lifted by an approved means and discharged to the building sewer.

Sec. 8. No person shall make connection of roof downspouts, exterior foundation drains, areaway drains, or other sources of surface runoff or ground water to a building sewer or building drain which in turn is connected directly or indirectly to a public sanitary sewer, without the consent of the superintendent.

Sec. 9. The Connection of the building sewer into the public sewer shall conform to the requirements of the building and plumbing code or other applicable rules and regulations of the District, or the procedures set forth in appropriate specifications of the A.S.T.M. and the W.P.C.F. Manual of Practice No. 9. All such connections shall be made gastight and watertight. Any deviation from the prescribed procedures and materials must be approved by the Superintendent before installation.

Sec. 10. The applicant for the building sewer permit shall notify the Superintendent when the building sewer is ready for inspection and connection to the public sewer. The connection shall be made under the supervision of the Superintendent or his representative.

Sec. 11. All excavations for building sewer installation shall be adequately guarded with barricades and lights so as to protect the public from hazard. Streets, sidewalks, parkways, and other public property disturbed in the course of the work shall be restored in a manner satisfactory to the District.

ARTICLE III

USE OF THE PUBLIC SEWERS

Sec. 1. No person shall discharge or cause to be discharged any stormwater, surface water, groundwater, roof runoff, subsurface drainage, uncontaminated cooling water, or unpolluted industrial process waters to any sanitary sewer, without the consent of the Superintendent.

Sec. 2. Stormwater and all other unpolluted drainage shall be discharged to such sewers as are specifically designated as combined sewers or storm sewers, or to a natural outlet approved by the Superintendent. Industrial

cooling water or unpolluted process waters may be discharged, on approval, of the Superintendent, to a storm sewer, combined sewer, or natural outlet.

Sec. 3. No person shall discharge or cause to be discharged any of the following described waters or wastes to any public sewers:

- (a) Any gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid, or gas.
- (b) Any waters or wastes containing toxic or poisonous solids, liquids, or gases in sufficient quantity, either singly or by interaction with other wastes, to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals, create a public nuisance, or create any hazard in the receiving waters of the sewage treatment plant.
- (c) Any waters or wastes having a pH lower than (5.5), or having any other corrosive property capable of causing damage or hazard to structures, equipment, and personnel of the sewage works.
- (d) Solid or viscous substances in quantities or of such size capable of causing obstruction to the flow in sewers, or other interference with the proper operation of the sewage works such as, but not limited to, ashes, cinders, sand, mud, straw, shavings, metal, glass, feathers, tar, plastics, wood, unground garbage, whole blood, paunch manure, hair and fleshings, entrails and paper dishes, cups, milk containers, etc. either whole or ground by garbage grinders.

Sec. 4. No person shall discharge or cause to be discharged the following described substances, materials, waters, or wastes if it appears likely in the opinion of the Superintendent that such wastes can harm either the sewers, sewage treatment process, or equipment, have an adverse effect on the receiving stream, or can otherwise endanger life, limb, public property, or constitute a nuisance. In forming his opinion as to the acceptability of these wastes, the Superintendent will give consideration to such factors as the quantities of subject wastes in relation to flows and velocities in the sewers, materials of construction of the sewers, nature of the sewage treatment process, capacity of the sewage treatment plant, degree of treatability of wastes in the sewage treatment plant, and other pertinent factors. The substances prohibited are:

- (a) Any liquid or vapor having a temperature higher than one hundred fifty (150) degrees F (65) degrees C.
- (b) Any water or waste containing fats, wax, grease, or oils, whether emulsified or not, in excess of one hundred (100) mg/l or containing substances which may solidify or become viscous at temperatures between thirty-two (32) and one hundred fifty (150) degrees F (0 and 65 degrees C).
- (c) Any garbage that has not been properly shredded. The installation and operation of any garbage grinder equipped with a motor of three-fourths ($\frac{3}{4}$) horsepower (0.76 hp metric) or greater shall be subject to the review and approval of the Superintendent.
- (d) Any waters or wastes containing strong acid iron pickling wastes, or concentrated plating solutions whether neutralized or not.
- (e) Any waters containing iron, chromium, copper, zinc, and similar objectionable or toxic substances; or wastes exerting an excessive chlorine requirement, to such degree that any such material received in

the composite sewage at the sewage treatment works exceeds the limits established by the Superintendent for such materials.

- (f) Any waters or wastes containing phenols or other taste or odor producing substances, in such concentrations exceeding limits which may be established by the Superintendent as necessary, after treatment of the composite sewage to meet the requirements of the State, Federal, or other public agencies or jurisdiction for such discharge to the receiving waters.
- (g) Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the Superintendent in compliance with applicable State or Federal regulations.
- (h) Any waters or wastes having a pH in excess of (9.5).
- (i) Materials which exert or cause:
 - (1) Unusual concentrations of inert suspended solids (such as, but not limited to, Fullers earth, lime slurries, and lime residues) or of dissolved solids (such as, but not limited to, sodium chloride and sodium sulfate.)
 - (2) Excessive discoloration (such as, but not limited to, dye wastes and vegetable tanning solutions).
 - (3) Unusual BOD, chemical oxygen demand, or chlorine requirements in such quantities as to constitute a significant load on the sewage treatment works.
 - (4) Unusual volume of flow or concentrations of wastes constituting "slugs" as defined herein.
- (j) Waters or wastes containing substances which are not amenable to treatment or reduction by the sewage treatment processes employed, or are amenable to treatment only to such degree that the sewage treatment plant affluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.

Sec. 5. If any waters or wastes are discharged, or are proposed to be discharged to the public sewers, which waters contain the substances or possesses the characteristics enumerated in Section 4 of the Article, and which in the judgment of the Superintendent, may have a deleterious effect upon the sewage works, processes, equipment, or receiving waters, or which otherwise create a hazard to life or constitute a public nuisance, the Superintendent may:

- (a) Reject the wastes,
- (b) Require pre-treatment to an acceptable condition for discharge to the public sewers,
- (c) Require control over the quantities and rates of discharge, and/or
- (d) Require payment to cover the added cost of handling and treating the wastes not covered by existing taxes or sewer charges under the provisions of Section 10 of this article.

If the Superintendent permits the pre-treatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the Superintendent, and subject to the requirements of all applicable codes, regulations and laws.

Sec. 6. Grease, oil, and sand interceptors shall be provided when, in the opinion of the Superintendent, they are necessary for the proper handling of liquid wastes containing grease in excessive amounts, or any inflammable wastes, sand, or other harmful ingredients; except that such interceptors shall

not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the Superintendent and shall be located as to be readily and easily accessible for cleaning and inspection.

Sec. 7. Where preliminary treatment or flow--equalizing facilities are provided for any waters or wastes, they shall be maintained continuously in satisfactory and effective operation by the owner at his expense.

Sec. 8. When required by the Superintendent, the owner of any property serviced by a building sewer carrying industrial wastes shall install a suitable control manhole together with such necessary meters, and other appurtenances in the building sewer to facilitate observation, sampling, and measurement of the wastes. Such manhole, when required, shall be accessibly and safety located, and shall be constructed in accordance with plans approved by the Superintendent. The manhole shall be installed by the owner at his expense, and shall be maintained by him so as to be safe and accessible at all times.

Sec. 9. All measurements tests, and analyses of the characteristics of waters and wastes to which reference is made in these regulations shall be determined in accordance with the latest edition of "Standard Methods for the Examination of Water and Wastewater", published by the American Public Health Association, and shall be determined at the control manhole provided, or upon suitable samples taken at said control manhole. In the event that no special manhole has been required, the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the building sewer is connected. Sampling shall be carried out by customarily accepted methods to reflect the effect of constituents upon the sewage works and to determine the existence of hazards to life, limb, and property. (The particular analyses involved will determine whether a twenty-four (24) hour composite of all outfalls of a premise is appropriate or whether a grab sample or samples should be taken. Normally, but not always BOD and suspended solids analyses are obtained from 24-hr. composites of all outfalls whereas pH's are determined from periodic grab samples.

Sec. 10. No statement contained in this article shall be construed as preventing any special agreement or arrangement between the District and any industrial concern whereby an industrial waste of unusual strength or character may be accepted by the District for treatment, subject to payment therefore, by the industrial concern.

ARTICLE IV

PROTECTION FROM DAMAGE

Sec. 1. No unauthorized person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance, or equipment which is a part of the sewage works. Any person violating this provision shall be subject to immediate arrest under charge of disorderly conduct.

ARTICLE V

POWERS AND AUTHORITY OF INSPECTORS

Sec. 1. The Superintendent and other duly authorized employees of the District bearing proper credentials and identification shall be permitted to enter all properties for the purposes of inspection, observation, measurements, sampling, and testing in accordance with the provisions of these regulations. The Superintendent or his representatives shall have no authority to inquire into any processes including metallurgical, chemical, oil, refining, ceramic, paper, or other industries beyond that point having a direct bearing on the kind and source of discharge to the sewers or waterways of facilities for waste treatment.

Sec. 2. While performing the necessary work on private properties referred to in Article IV, Section 1 above, the Superintendent or duly authorized employees of the District shall observe all safety rules applicable to the premises established by the company and the company shall be held harmless for injury or death to the District employees and the District shall indemnify the company against loss or damage to its property by District employees and against liability claims and demands for personal injury or property damage asserted against the company and growing out of the gauging and sampling operation, except as such may be caused by negligence or failure of the company to maintain safe conditions as required in Article III, Section 8.

Sec. 3. The Superintendent and other duly authorized employees of the District bearing proper credentials and identification shall be permitted to enter all private properties through which the District holds a duly negotiated easement for the purposes of, but not limited to, inspection, observation, measurement, sampling, repair, and maintenance of any portion of the sewage works lying within said easement. All entry and subsequent work, if any, on said easement, shall be done in full accordance with the terms of the duly negotiated easement pertaining to the private property involved.

ARTICLE VI

PENALTIES

Sec. 1. Any person found to be violating any provisions of these regulations except Article IV shall be served by the District with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

Sec. 2. Any person who shall continue any violation beyond the time limit provided for in Article VI, Section 1, shall be guilty of a misdemeanor, and on conviction thereof shall be fined in the amount not exceeding \$10.00 dollars for each violation. Each day in which any such violation shall continue shall be deemed a separate offense.

Sec. 3. Any person violating any of the provisions of these regulations become liable to the District for any expense, loss, or damage occasioned the District by reason of such violation.

ARTICLE VII

VALIDITY

Sec. 1. All regulations or parts of regulations in conflict herewith are hereby repealed.

Sec. 2. The invalidity of any section, clause, sentence, or provision of these regulations shall not affect the validity of any other part of these regulations which can be given effect without such invalid part or parts.

ARTICLE VIII

MAIN EXTENSIONS

Sec. 1. The department will extend its mains only in highways, streets, and roads which are laid out in which grades have been established, and which are dedicated to the public use.

Sec. 2. Service mains shall be laid by the department or an authorized contractor for the department and will be the property of the Plymouth Sewer Department.

Sec. 3. The size and kind of pipe shall be determined by the department in accordance with conditions surrounding the extension including the possibility of future extension or additions.

Sec. 4. Extensions shall be made only upon condition that prospective customer and/or customers sign an agreement with the Plymouth Sewer Department which shall provide that the customer and/or customers shall pay the entire cost of the extensions and/or extensions applied for.

Sec. 5. The full amount of the estimated cost of such extensions shall be deposited with the Plymouth Sewer Department before work will be started on any such extension.

Sec. 6. The Commissioners may make such changes, and extensions as they deem necessary for the best interests of the public.

ARTICLE IX

EXCEPTION TO ARTICLE VIII: MAIN EXTENSIONS

Sec. 1. Any person and/or persons may petition to the Commissioners, and provide the proper article to the Commissioners to be inserted in the Precinct Warrant, for extension or extensions they propose. Which article shall be placed in the Warrant and voted upon by the Precinct voters at the next annual Precinct Meeting.

ARTICLE X

DAMAGE TO MAINS OR SERVICE PIPES

Sec. 1. Any person doing excavation work near any mains owned by the Department shall be responsible for any damage to such mains and liable for all costs involved in repairing or replacing such damaged pipes.

ARTICLE XI

MAINTENANCE

Sec. 1. The department is responsible for the upkeep and maintenance of the main or common sewer line only.

ARTICLE XII

RATES

Sec. 1. The Commissioners shall establish such rates as they deem necessary for the maintenance, operation, repair and improvements to the system. Such rates may be changed from time to time as they deem necessary.

ARTICLE XIII

USE OF PUBLIC SEWERS REQUIRED

Sec. 1. It shall be unlawful for any person to place, deposit, or permit to be deposited in any unsanitary manner on public or private property within the District, or in any area under the jurisdiction of said District, any human or animal excrement, garbage, or other objectionable waste.

Sec. 2. It shall be unlawful to discharge to any natural outlet within the District, or in any area under the jurisdiction of said District, any sewage or other polluted waters, except where suitable treatment has been provided in accordance with provisions of these regulations.

Sec. 3. Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of sewage.

Sec. 4. The owner of all houses, buildings, or properties used for human occupancy, employment, recreation, or other purposes, situated within the District and abutting on any street, alley, or right-of-way in which there is now located or may in the future be located a public sanitary or combined sewer of the District, is hereby required at his expense to install suitable toilet facilities therein, and to connect such facilities directly with the proper public sewer in accordance with the provisions of these regulations within (ninety) 90 days after date of official notice to do so, provided that said public sewer is within one hundred (100) feet (30.5 meters) of the property line.

ARTICLE XIV

PRIVATE SEWAGE DISPOSAL

Sec. 1. Where a public sanitary or combined sewer is not available under the provisions of Article 13, Section 4, the building sewer shall be connected to a private sewage disposal system complying with the provisions of this article.

Sec. 2. Before commencement of construction of a private sewage disposal system the owner shall first state his intentions to construct, to the District or Superintendent. The owner shall then submit plans and specifications in the form prescribed by the N. H. Water Supply and Pollution Control Commission, to the Commissioners for their approval. Upon receipt of approved plans and specifications from the N. H. Water Supply and Pollution Control Commission the owner shall also obtain his permit from the District before proceeding with the construction. A permit and inspection fee of (\$25.00- dollars shall be paid to the District at the time the application is filed.

Sec. 3. A permit for a private sewage disposal system shall not become effective until the installation is completed to the satisfaction of the Superintendent. He shall be allowed to inspect the work at any stage of construction and, in any event, the applicant for the permit shall notify the Superintendent when the work is ready for final inspection, and before any underground portions are covered. The inspection shall be made within 24 hours of the receipt of notice by the Superintendent.

Sec. 4. The type, capacities, location, and layout of a private sewage disposal system shall comply with all recommendations of the Water Supply and Pollution Control Commission of the State of N. H. No septic tank or cesspool shall be permitted to discharge to any natural outlet.

Sec. 5. At such time as a public sewer becomes available to a property served by a private sewage disposal system, as provided in Article XIII, Sec. 4, a direct connection shall be made to the public sewer in compliance with these regulations, and any septic tanks, cesspools, and similar private sewage disposal facilities shall be abandoned and filled with suitable material.

Sec. 6. The owner shall operate and maintain the private sewage disposal facilities in a sanitary manner at all times, at no expense to the District.

Sec. 7. No statement contained in this article shall be construed to interfere with any additional requirements that may be imposed by the Health Officer and the N. H. Water Supply and Pollution Control Commission.

Sec. 8. When a public sewer becomes available, the building sewer shall be connected to said sewer within ninety (90) days and the private sewage disposal system shall be cleaned of sludge and filled with clean bank-run gravel or dirt.

AUDITORS' REPORT

We have audited the cash books of the Treasurer of the Plymouth Village Fire District for the year ending December 31, 1968, and have found the entries to have been correctly cast and properly vouched.

We have examined the surety bonds of the Treasurer and Secretary of the District.

We have burned fifteen (15) Water Dept. Bonds numbered 223-237 inclusive, totaling \$15,000.00; and six (6) Sewer Dept. Bonds numbered 1-6 inclusive, totaling \$30,000.00.

We have burned the following coupons:

Five (5) numbered 238-242, inclusive, totaling \$50.00 - Oct. 1967

Seventy-eight (78) numbered 223-300, inclusive, totaling \$780.00
- April 1968

One Hundred Five (105) numbered 1-105, inclusive, totaling \$10,237.50 - April 1968

Two (2) numbered 107-108, inclusive, totaling \$195.00 - April 1968

Five (5) numbered 110-114, inclusive, totaling \$487.50 - April 1968

One Hundred Five (105) numbered 1-105, inclusive, totaling \$10,237.50 - October 1968

Five (5) numbered 110-114, inclusive, totaling \$487.50 - Oct. 1968

Sixty-three (63) numbered 238-300, inclusive, totaling \$630.00 - Oct. 1968.

M. WAYNE BOWIE

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Plymouth in the County of Grafton in said State qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in Said District on the 13th day of March, 1969, at 8:00 o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year;

Article 2. To choose a Clerk for the ensuing year;

Article 3. To choose a member of the School Board for the ensuing three years;

Article 4. To choose a member of the School Board to fill an in-expired term of two years;

Article 5. To choose a Treasurer for the ensuing year;

Article 6. To hear the reports of agents, auditors, and committees or officers chosen and to pass any vote relative thereto;

Article 7. To choose agents, auditors and committees in relation to any subject embraced in this Warrant;

Article 8. To see if the District will raise and appropriate the sum of Seven Hundred Fifty-Seven Thousand Two Hundred Twenty Dollars and Eleven Cents (\$757,220.11) for the support of schools and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from State Foundation Aid Fund, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which leaves an estimated balance of Two Hundred Ninety-Eight Thousand Seven Hundred Eighty-Nine Dollars and Sixty-One Cents (\$298,789.61) to be raised by taxes by the Town;

Article 9. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any and all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States;

Article 10. To see if the District will establish a contingency fund to meet the costs of unanticipated expense which may arise during the year in an amount not to exceed One Thousand Dollars (\$1,000.00), all in accordance with Revised Statutes Annotated 198:4-b;

Article 11. To hear reports of the School Board and School District legal counsel concerning the current status of construction of new school facilities and of the litigation with Rumney School District;

Article 12. To see if the District will vote to ratify and confirm the deed given by Plymouth School District to H. Scott Coffin dated January 3, 1969, and recorded in Grafton County Registry of Deeds Book 1087, Page 476;

Article 13. To see if the School District will authorize the School Board to negotiate and execute such tuition contracts as they may deem advisable for non-area School Districts;

Article 14. To transact any other business which may legally come before said meeting.

Given under our hands at said Plymouth this 18th day of February in the year of our Lord nineteen hundred sixty-nine.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hereby submitted is my annual report as your Superintendent of Schools.

Much has transpired since my last report and many far reaching decisions have been made by the school district. Of greatest importance of course has been the formation of the AREA High School grades 9-12 with the adjoining towns of Campton, Holderness and Rumney. After the years of frustration it seems good although it has been hard work to take definite action. The school board and building committees deserve much credit for the hours of work they have put in to see that Plymouth has a fine educational plant. As I have mentioned in other reports the new school should do more than any other one thing to make Plymouth a more prosperous and growing community.

The final plans and specifications for the school have been approved and at present the project is out for bid. According to the original schedule with the architects established in the summer of 1967, construction is expected to start in March of this year. Bids will be opened on February 25th at the Vocational Building here in Plymouth and the awarding of the contract should take place shortly thereafter. As construction progresses interested citizens may feel free to visit the site and watch their school being built.

Everyone concerned with the planning of the school including the State Department of Education has worked hard to come up with a plan which has enough flexibility to properly educate our children and those of the surrounding area communities for years to come.

The high school principal in his report has explained the staff changes that took place this year so I will not go into detail concerning this. We were fortunate in securing good applicants for all new vacancies.

The school board has been working with the teachers to develop a realistic salary scale. Our minimum salary for this year was about as low as any in the state. A minimum has been accepted by the board and the teachers for the coming year which should place us in a more favorable position when we employ teachers for the ensuing year.

With the help of the Recreational Department and in coordination with the school board we were able to secure some Federal funds toward the purchase of the school site. Work will begin shortly on a master plan for the development of the playing fields for which it is hoped more funds will be made available. It seems

to be a reasonable assumption that the new school as well as being the public secondary school learning center for the area also will be the center for recreation and group gatherings. The investment for the building is too great not to use it whenever possible. Too many schools lock their doors when the students go home.

The primary concern of course is the improvement of instruction. There is no question that our school will provide a better atmosphere in which to learn. There is no question that our school will provide a better atmosphere in which to learn. We must see that also provided is an ever expanded curriculum to meet the needs of today's youth, and at the same time incorporate modern technological advances to help us. Already thought is being given for a computer service to aid us in scheduling and reports to parents. This is only a beginning.

The Title I Funds under P. L. 89-10 have been used this year to help boys and girls throughout the school system. The psychological services and speech therapy although they cover all grades have been most effective in the elementary area. Developmental reading is available for grades seven and eight and teacher aides for high school students are being used for help in English and Mathematics. I believe these funds are being used wisely and to the advantage of the pupils.

This has been a busy and eventful year. Reports we received from our Sophomore testing program placed us in the upper quarter of the 84 high schools in the State tested and in several tests we were above the 90th percentile. Of course the evidence is not conclusive but I am sure it is indicative that your school is offering a good basic education.

The school budget for next year with the inclusion of the new school was more favorable than had been expected. The school board and the administration have tried their best, as they always have, to provide Quality education at a realistic cost. This, I think, is very important in an age of ever rising prices and increased taxes.

We are all eagerly looking forward to the occupancy of the new school. All those who have worked on the project I am sure will look back with pride on their accomplishments. We must, however, not stand on our laurels for a new building alone means nothing unless interested persons include lay people as well as the educators make sure their school is growing and keeping abreast of the times. To this end we expect to have one of the finest schools of its size in the state.

Respectfully submitted,
M. WAYNE BOWIE, Superintendent

EXPLANATION OF SUPERINTENDENT'S SALARY

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$11,500. which was received by the superintendent of schools of Supervisory Union #48 during 1967-68 school year was made up as follows: \$4500.00 paid by the State of New Hampshire and \$7,000.00 pro-rated among the several school districts. Allowances of \$1300.00 for travel within the union was also pro-rated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 1,274.00	\$ 236.60
Plymouth	3,437.00	638.30
Rumney	952.00	176.80
Thornton	553.00	102.70
Warren	420.00	78.00
Wentworth	364.00	67.60
	<hr/>	<hr/>
	\$ 7,000.00	\$ 1,300.00

M. WAYNE BOWIE

Superintendent of Schools

PLYMOUTH HIGH SCHOOL

Principal's Annual Report

I hereby submit my seventeenth annual report as Principal of Plymouth High School.

Our staff has eleven new members this year: Mr. Melanson replaced Mrs. Roberts; Mr. Dyer replaced Miss Riley; Mr. Lyman replaced Miss Whall; Miss Whall replaced Miss Demarini; Mr. Goldstein replaced Mr. O'Brien; Mr. Zych replaced Mr. Olsen; Mrs. Sterling is our new Spanish teacher; Mrs. Montague replaced Miss Riley; Mr. Lyman replaced Mrs. Roberts; Mr. Dyer replaced Mrs. Ignaszewski; Mr. Keenan replaced Miss Trosky and Mr. Raymond replaced Mr. Ryan for the year.

The community is fortunate in securing these excellent teachers to replace our retired teachers and those who have moved to other positions.

The school wants to wish our three retired teachers; Miss Riley, Mrs. Ignaszewski and Mrs. Roberts a very pleasant and healthy retirement.

We are pleased to announce that Charlotte Crane has been selected as a Merit Finalist.

Our Mathematics students finished third in state competition. Twenty-seven different students received thirty scholarships worth \$7,000.00 from the efforts of our school and community. The school wishes to thank all the people and organizations contributing to this wonderful cause.

The estimated enrollment figures for the school year 1969-70 as of February 1, 1969 are as follows:

Class of 1970	129
Class of 1971	99
Class of 1972	116
Class of 1973	116

Graduates of the Class of 1968

Four Year College	34
Two Year College	10
Armed Forces	4
Employment	40
Homemaker	3
Post Graduates	5
	<hr/>
	96

I wish to express my appreciation to the school board, Superintendent Bowie, teachers, students, parents and citizens for their help and cooperation during the past year.

Respectfully submitted,

GEORGE C. ZOULIAS, Principal

June 17: Schools Close

This calendar allows for 184 school days. If more than four days are lost because of storms or emergencies, schools will continue beyond June 17.

SCHOOL NURSE'S REPORT

The following is a report of the health program for the Plymouth schools for 1968.

This year Dr. F. D. McIver, school physician, completed physical examinations for 256 pupils and 28 pre-school children on kindergarten registration day in April.

Also on registration day Mrs. Lance, R. D. H. of the bureau of Dental Public Health completed dental examinations for 28 children. Mrs. Martha Chapman assisted on this day.

During 1968 the following services were made available to pupils in Plymouth:

Crippled Children's Services sponsored speech therapy for one child.

The Lion's Club provided eye examinations and glasses for 5 children and repair of glasses for 4 children.

The Matching Fund Dental Health Program, administered by the Bureau of Dental Public Health, matched funds contributed by local organizations (Rotary Club, Elks & Business and Professional Women's Club).

This program provided children with 13 appointments with Dr. D. W. Whitesell for dental care.

In April, Mrs. Stark and Mrs. Lance, both registered dental hygienists with the Bureau of Dental Public Health, conducted a program on dental health for the children in kindergarten thru 6th grade.

The Salvation Army fund of Plymouth contributed \$130.08 for clothing and medical expenses for school children.

Nurse's Work

		Defects	Corrections
Vision Tests	- 400	158	82
Hearing Tests	- 130	30	16
Head Insp.	- 448		
First Aid	- 1500+		
Home Visits	- 80		

Communicable Diseases Reported

Chicken Pox	10
Influenza	350+
Infectious Mononucleosis	6
German Measles	19
Whooping Cough	6

There are, at present, 10 children receiving free hot lunch and free mid-morning milk.

I wish to thank the people who have helped with this program during the past year.

Respectfully submitted,

DOROTHY J. MORRIS, R. N., School Nurse
